April 3, 2009

SUMMARY OF BILL: Increases various fees for inspections conducted by the Department of Labor and Workforce Development (LWFD) through the Elevator and Amusement Device Safety Board.

ESTIMATED FISCAL IMPACT:

Increase State Revenue - \$330,600

Assumptions:

- According to LWFD estimates based upon the number of annual inspections and the corresponding rate increases for each license, the increase in inspection fees for elevators, dumbwaiters, escalators and moving walks is estimated to be \$300,000. The increase in revenue attributable to the inspection fee increase for aerial passenger tramways is estimated to be \$600. The increase in revenue attributable to the increase in construction permit fees is \$30,000. The total increase in state revenue is estimated to be approximately \$330,600 (\$300,000 + \$600 + \$30,000).
